g. don smith completes third successful year at k. h. s.

the top man on the totem pole rarely sees his lower support. but for g. don smith this is so untrue. in his third year as principal of kearny, mr. smith has seen the school become more personal as people become not mere faces but names and friends. he has seen the students become more responsible for their actions and begin to take a greater interest in school activities, not only after school but also in the classrooms. the removal of the dress code has not made the students ease their studies, instead they have rolled up their shirtsleeves and dug in to do a number one job, so observed mr. smith. so to our top man on the totem pole, let us reach up and shake his hand for another job done 101%.

lunchtime: eat, study, and chat with friends

we would like to thank mrs. karen wiseman for the many years of devoted service that she has given to kearny and many k.h.s. students. to her goes our recognition for a job well done and wishes for many more joyful years at stephan watts kearny senior high school.

administrators keep kearny "a-ok"

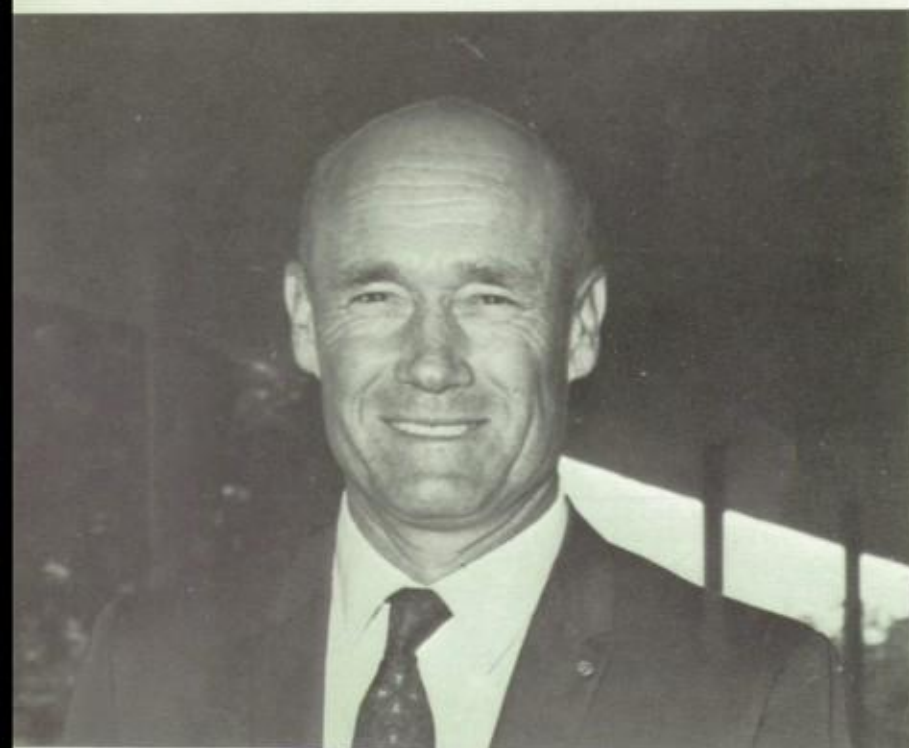

mr. louis r. lepore, jr.

mrs. karen wiseman, who received her b.a. at the university of missouri and claremont graduate school, completes another year successfully as girls' vice principal.

boys' vice principal, mr. lepore, received his b.a. from san diego state and his m.a. from usiu. he has done another great job in this his fifth year at k.h.s.

mrs. karen m. wiseman

mr. lincoln g. rock

mr. lincoln rock, boys' vice principal, is in his fourth year at kearny. he received both his b.a. and m.a. at san diego state.

the principal's administrative genius is mr. charles wilson. mr. wilson, a retired u.s. air force officer, earned his a.b. at usiu.

counselors help students' progress

kearny high school is blessed to have an excellent special counseling program. many of the things which will involve the student in a program that influences his future life is initiated by these counselors. this year kearny has two work experience counselors. there is also an experienced scholarship advisor, two intergrade counselors, and a class sponsor/advisor. mr. fred cheever, the work experience counselor has received added help from mr. howard luck, as the work experience program has grown to new proportions. miss viletta hutchinson, as scholarship counselor has been responsible for the help that so many students have received. mr. lee bogle and mr. gerald halsey have served as intergrade counselors. mr. robert hotchkiss has had another successful year with the asb council. in short, kearny has had another great year with another great counseling staff.

this year at kearny, the business education department again proved popular among the students. there were many courses offered, and kearny students took useful advantage of these offerings. a new class offered in this department was office production, where specially selected students did various office-related tasks for members of the kearny faculty and p.t.a. mr. reed was in charge of this class, and supervised the many assignments, including the printing of the galaxy.

the student store had another successful year, offering many new items for sale. it was reported that more students entered the store than the football games! the store also donated great sums of money to kearny athletics.

kearny's "best of body-builders" again taught to the satisfaction of most students, the fundamentals of building active minds and bodies. in the girls' department, the able teachers taught many sports and activities new to sophomores and well-known by the upper-classmen. swimming, offered again this year, was a favorite class choice, and many students were able to learn and improve valuable water skills. girls' sports reached new heights in c.i.f. competition, and many girls were able to participate and win honors for kearny again this year. boys at kearny were offered a variety of sports to participate in, and, as is the custom at kearny, varsity sports enthusiasts were inspired to countless victories by the many dedicated and capable members of the physical education department staff. coach birt slater again engineered the varsity football team to western league honors and the respect of every other team in the city. kearny's whole atmosphere has been enhanced by the leadership of such capable body-builders as we are proud to have.

the study of people and nations. . .

social studies at kearny plays an important role—both at school and in the world. by learning the history and government of our country, students grow to understand the reasons for certain aspects of the american society. with this understanding, they may right the wrongs of that society. black and chicano studies were again made available to kearny students, and new teachers, mr. salazar and mr. williams were brought into the faculty to teach these classes. since many kearny students now have the right to vote, the american government classes tried to instill a knowledge

of voting procedures and a desire to participate in this democratic process. during the summer, at kearny a special class in american government and ecology was offered. many students took advantage of this opportunity to understand our environmental problems and try methods to alleviate them. classes went to various offices and meetings in san diego to appreciate the way in which to change or make laws. with a background from kearny social studies, perhaps kearny alumni will someday solve the world's problems.

the secretarial staff at kearny is really great. mrs. sullivan, in the financial office handles all the money of the school and keeps it all recorded in her omnibus book of figures. the other secretaries at kearny are situated in various sections of the school. mrs. hawk can be found in the counseling office musing over the students' credit or running off a copy of a students' grades. mrs. ferrare can also be located in the counseling office. most of the remaining secretaries are

presiding over matters in the attendance, principals, and vice-principals' offices. a secretaries' duties are endless. they may seem to settle down towards the end of the year, but really things are just beginning all over again. new students will be coming in, new people have to be trained to help in the offices, and it seems as if it is already september instead of june. thus, another year ends for kearny's secretaries.

another day, another year

girls' league welcomed new sophomore girls with its annual big and little sister tea. the theme "making friends for all the world to see", was carried out by flourescent pink, green, and yellow smiling faces. a fashion show was presented by sears with song and cheerleaders modeling. for everyone else school meant showing up on sept. 13. new classes, teachers and books kept 2780 students busy as they settled into a daily routine.

spirit week november 1-6

spirit week started out on monday with class competitions. they were held in the boys' gymnasium during all three lunches. exciting games of tug-of-war and bunt-ball took place between the sophomore, junior and senior classes.

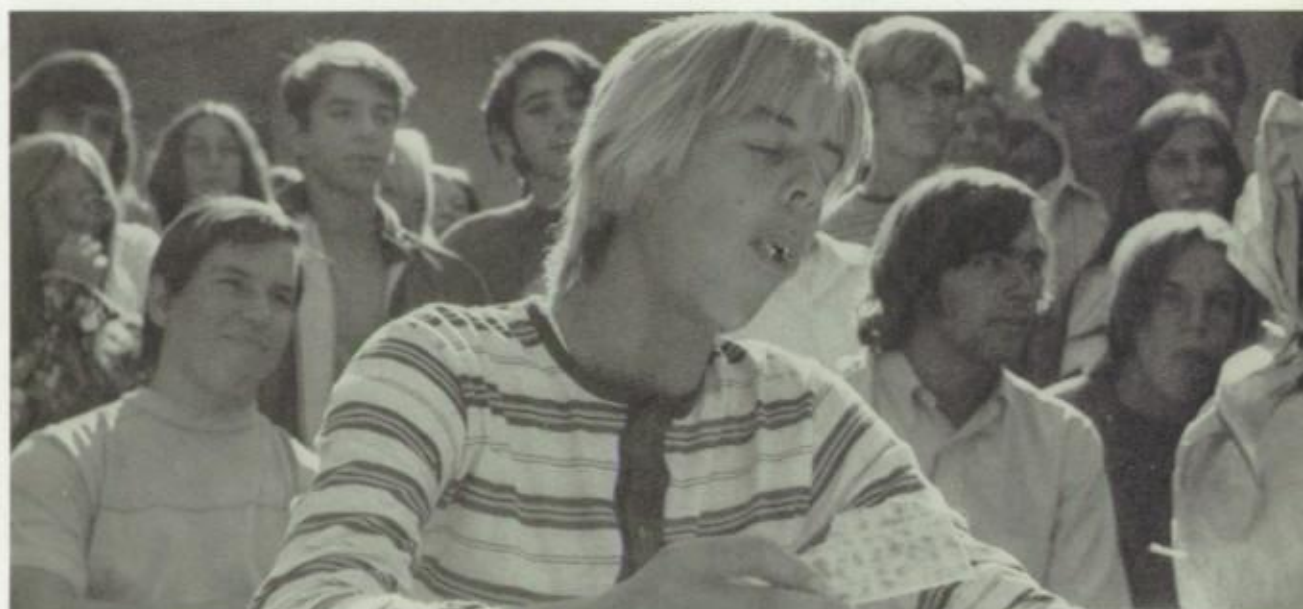

students gathered on the senior patio tuesday to observe and participate in the mr. cool contest. for this contest komets stood on blocks of ice barefooted. prizes of chocolate ice cubes went to the student who could endure it the longest.

wednesday, competitions were again held on the senior patio. to the winners of the prune eating contest went prizes of toilet paper. olive eating champions received alka-seltzer and the cracker eaters were rewarded with a bottle of coke.

a musical mini-theatre was presented on thursday in the little theatre. its purpose was to show that music can also be in comedy. there was also an auto wreck on thursday down by the boys' gym. students could take one swing with a sledge hammer for a nickel.

on friday there was a special spirit week pep rally.

excitement and anticipation grew throughout spirit week as to who would be the homecoming queen. on friday, november fifth, the queen was crowned at the homecoming ball at the travel lodge on harbor island. the highlight of the ball was the announcement and crowning of senior colleen schlentz as queen.

queen colleen and her court reigned the next night at the homecoming game between kearny and crawford. during the halftime ceremonies the queen and her attendants paraded around the mesa football field. included in the parade were the winning floats; first place, marquee, "shakespeare of 72"; second place, acappella choir, "waves of change-sound waves"; third place, girls' choir, "let there be peace on earth" dedicated to mr. stollsteimer.

cheerleaders, rah!

thanks to the tireless efforts of the song and cheerleaders, kearny had great school spirit this year. they led cheers and performed routines at rallies and games to encourage enthusiasm and spirited support for the team.

the month of october was a busy one, filled with many varied activities. pep rallies, held every friday in the boys' gym, filled students with spirit for the game that evening.

the little theater was the spot for dramatic entertainment each week, as the marquee club presented scenes from many well-known productions during lunches.

other activities included the speech given by john green, a criminal lawyer, on young people's rights, especially those involving police harrassment. students also had the opportunity to see a different side of policemen when they listened to the pd5, a rock band comprised of police officers, in the auditorium. right on!

"dee-lighted! that's bully! just bully!"

christmas is . . .

the annual christmas concert presented by the advanced girls choir took place on december sixteenth during all three lunches and in the evening. the concert, under the direction of mr. stollsteimer, included the sixty-three member girls' choir, nine member choralettes, and the girls' trio. the orchestra was under the direction of mr. mc dermott.

the three major parts of the program consisted of: two christmas suites by the orchestra as part one. part two by the singing groups included christmas carols and popular yuletide numbers. part three was the processional march of the choir and the singing of roy ringwald's "song of christmas", a cantata narrated by sheila heisler and melanie pena.

the trio consisted of katti komo, linda johnson, and teresa harper. the choralettes are: diane morrow, paulette kirpatrick, sandy marier, lori mcdonnell, mary ann peluso, melinda marcus, cindy popa, robin breddell, and roberta langley.

the accompanists for the program were nasaria barreras and cindy stamatopoulos.

works for '72

everyday people

everybody involved with the variety show gathered for a final song.

kearny's drama department, under the direction of mr. jack winans, had a very busy and successful year. seventy-two started off with a bang! mini-theaters continued each week providing dramatic entertainment for students during lunches. the variety show was loads of fun and well-attended. staging of the christopher marlowe classic, "faust", was probably the most difficult dramatic venture of the year, but for those involved, well-worth it.

highlighting the year was the participation in the one-act play festival at san diego state college where two students won one-hundred dollar scholarships and kearny received a superior rating. seventy-one-seventy-two; a year to remember.

right: all the commotion on the senior patio actually served a purpose. different departments set up displays explaining what was happening to give students a background for choosing classes the following year.

lettergirls stand out as sports stars

under the guidance of their sponsor mrs. kohr, this years lettergirls club has helped establish a better functioning athletic association. combined with gaa, the two clubs earned 1,500 dollars, which will help buy uniforms for various sports. the lettergirls are extremely proud of the fact that every member played on the undefeated field hockey team. at least half of the girls played as sophomores when the three year winning streak began. six of the seven cif volleyball champions are lettergirls. the club also possesses two city record holders, one for swimming and the other for track.

in order to become a lettergirl you must obtain 275 points through practices and games. it takes a long time to get enough points excelling in one sport, so all of the girls found their talents in 3 or more sports. the variety of activities is becoming larger each year ranging from varsity gymnastics to small money making sports like powder-puff football. the club feels that making friends is one of the most important things that happens while going out for sports, and for this reason kearny has thirteen happy and proud lettergirls.

new ideas and changes focus on '72

the homecoming theme that year was "everyday people," and a subtheme for that year could have been "different strokes for different folks." members of the class of '72 were sophomores then, and no theme could have suited them better. diverse in interests, backgrounds, and plans for the future, the energetic, new kearny students worked to create a peaceful, mostly unified existence. and this goal was achieved by the time the sophomores became the mighty seniors. the homecoming theme this year was "waves of change," once again reflecting the dreams and desires of the senior class. they are now participating citizens in a troubled world. we are the class of '72 and we are saying, "come on people, we're gonna take you on!" and we will—the whole world and its problems, passions, and triumphs better get ready—it belongs to us! we have the dream and the challenge to change the world. we can make it if we try. the tools are ours to use if we will. we need only to recognize opportunities and make the best of what is given to us to work with. the class of '72, with a dream and a will, are just everyday people—but everyday people who will.

juniors work toward '73 celebration in '72

the junior class is striving for the ultimate this year. the ultimate being an outstanding graduation in '73. the success this year can be attributed in great part to the hard working officers and council members led by president kim zeledon. he has initiated many successful money making ventures, including a summer candy sale. kim, along with vice-president jeff waldvogel, secretary kim flanagan, treasurer debbie mc carty and many council members designed a class ring which they hope will become a traditional design. the combined efforts of all juniors has made possible the plans for a very memorable senior year.

to the left is kim zeledon junior pres. below is junior sherri wells participating in one of the numerous mini theaters that were put on by the marquee club.

vice-president colleen hanley

during p.e., the girls who don't dress sit around and exchange secrets.

mrs. carolyn kutzke - counselor
treasurer diane wunderlich

mr. george dangel - counselor
secretary carol armstrong

ok

president george chamberlain

goofing off during lunch time involves a trash can and an unlucky victim.

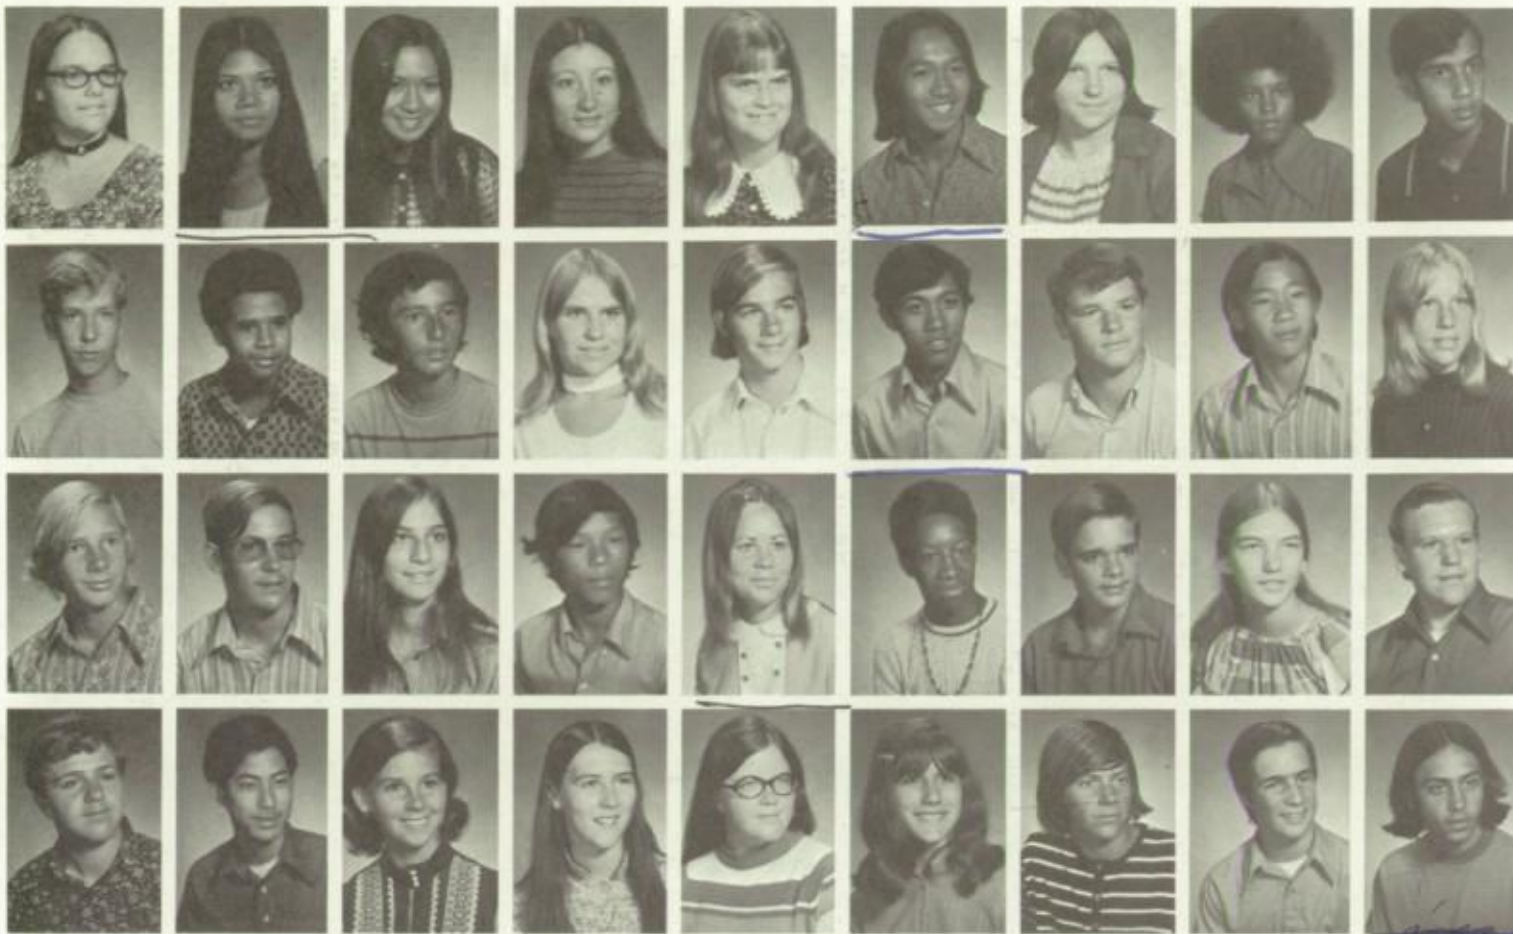

sophomores lay foundation for '74 graduation

this year's sophomore class got off to a slow start, but under the leadership of a fine president the council planned many activities and fund raising events. george chamberlain not only had '74 in mind, but he had also the thought of stirring up some excitement among his classmates. he has planned for the major sophomore activities to be held in the latter part of january, february, and april. the activities planned for were: a bake sale in january, a candy sale in february, a trip to disneyland in february, and a talent show in april. george confides that it would not have been possible without the help of his three charming co-officers who are: vp - colleen hanley, treasurer - diane wunderlich, and secretary - carol armstrong. they have diligently worked as a team to bring about the many and varied activities that made '72 a memory year.

mr. robert hotchkiss, sophomore class advisor.

a.s.b. uses student rights as its theme for '72

the associated student body council is made up of fifteen elected members and eight appointed members. all of the members have the right of discussing policies, activities, and actions, but only the elected officials have the power to vote on asb matters.

the asb controls many of the activities on campus such as spirit week, homecoming, the asb ball, the betty crocker coupon drive to purchase a kidney machine, ticket and beat ribbon sales, and the christmas can drive against madison.

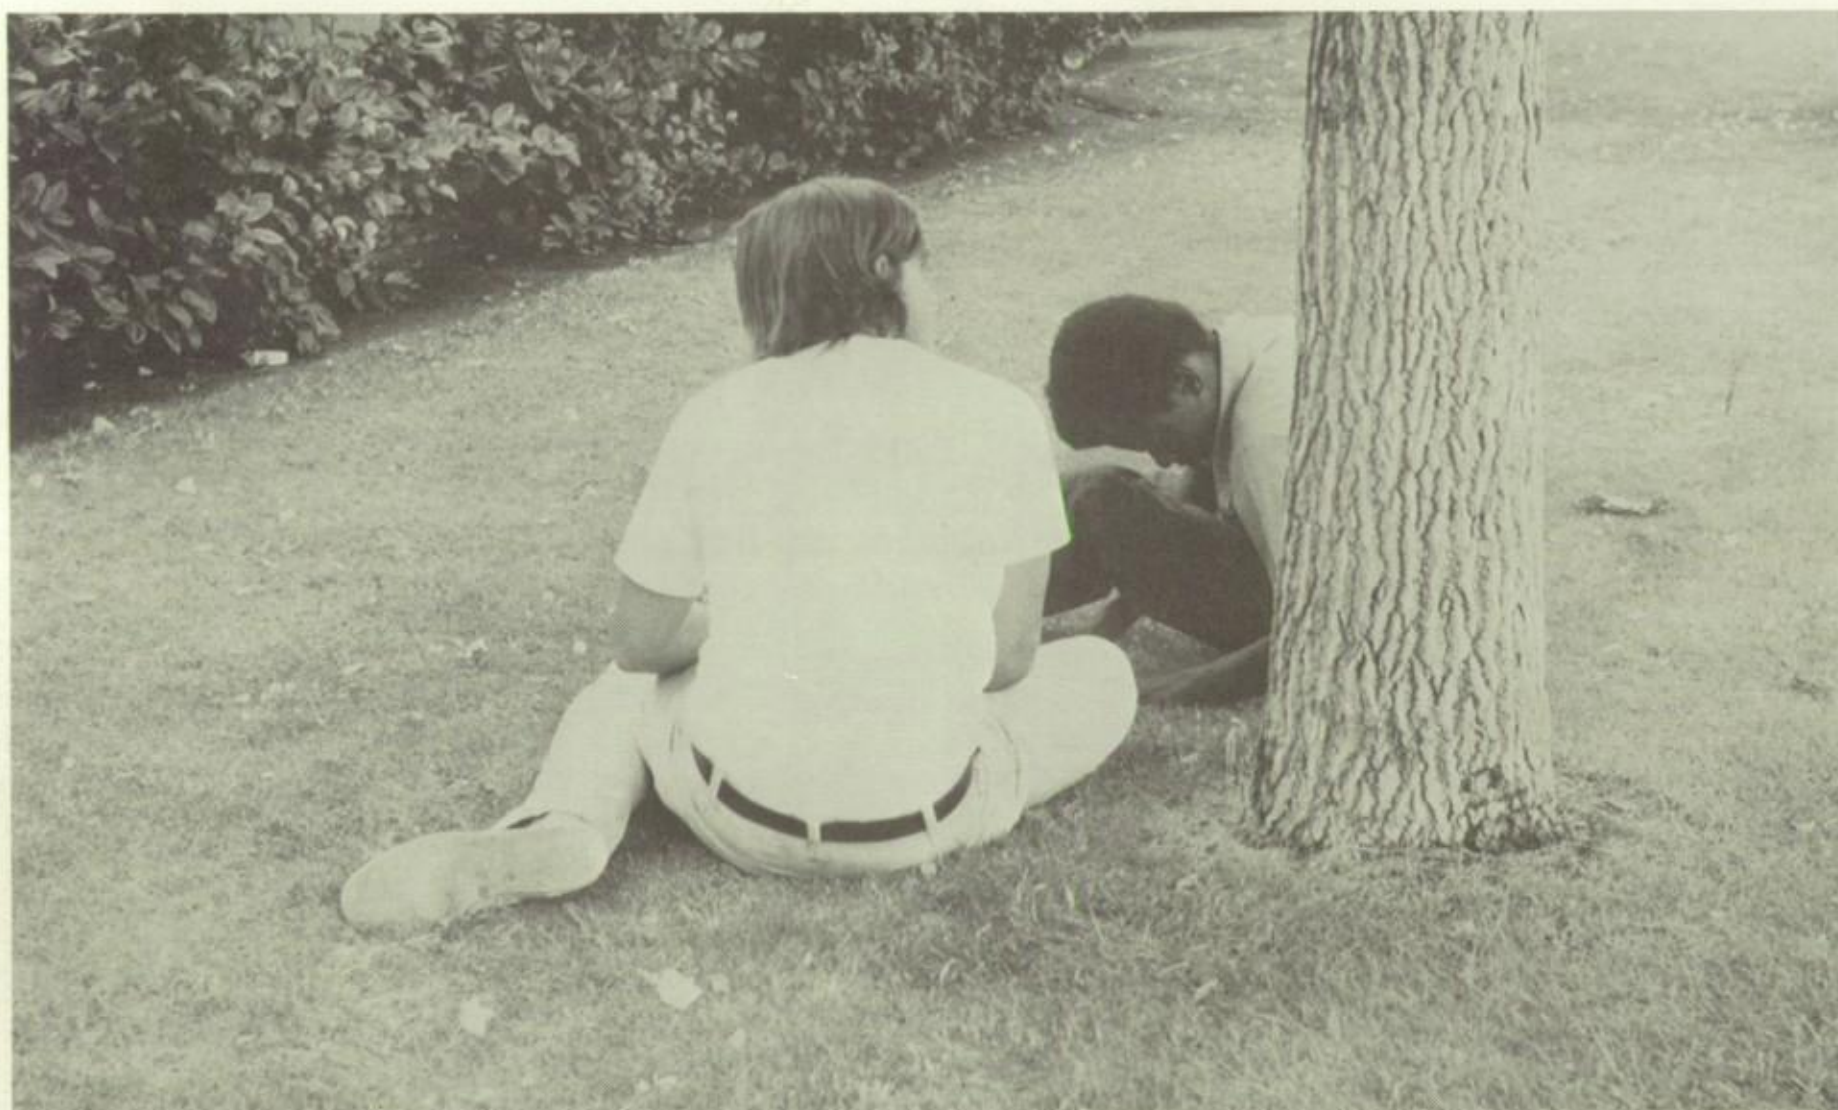

the council meets every day during fifth period to discuss the problems facing students at kearny and to plan and vote on school events and policies. in december, an amendment providing for the kearny minorities to be represented on the asb council was passed. they are also responsible for having our coke machines returned and bringing a pay telephone to the senior patio.

the asb is working for student rights by having the library opened and they are now trying to initiate once a month lunchtime activities, like the harlem clowns basketball team.

the council is responsible for having the annual nominating convention where candidates running for asb offices are nominated.

the dianas is a service club consisting of fifteen girls. these girls are selected at the end of their junior year on the basis of service points. they must maintain a scholarship average of 3.3 and have no lower than an 's' in citizenship.

five of these girls are officers. the president is lauri paddock, the vice president is kim olson, the secretary is rhonda mercer, the treasurer is marty boles, and the historian is anita palmer. mrs. stein is the sponser.

the dianas have served kearny in many ways this year.

they helped out at the little sister tea and at the homecoming koffee klatch. the girls have worked at commencement exercises and have ushered at school plays. they have served the p.t.a. and helped at open house.

this year the dianas celebrated their twenty-fifth anniversary of service for kearny high school. they had a big celebration in the spring in which all the girls who have been dianas for the last twenty five years were invited back to kearny to celebrate.

through providing a service of varied social activities and sales opportunities for its members, it attempts to further scholarship expansion at the high school level. its major activities during the

katia comes to kearny through yfu program

this year's yfu student is a girl from sao paulo, brazil. her name is katia stock.

she lives with her american mother and father, cmdr. and mrs. ted gavett. she also has an american sister, patricia gavett, who is a 1970 graduate of kearny.

her real parents and fifteen year old brother live in brazil where her father is an officer in the brazilian air force.

katia has travelled to many cities in her country and is very happy to have had the opportunity to come to america.

all this is possible through the state department program "youth for understanding."

katia likes to read, go to the theater, dance, and participate in sports. she also belongs to an international organization who's purpose is to join with people using the language of music to promote love and peace.

she hopes to go to college and become a math teacher.

but for now she just wants to see america. eo precesia sua viva chesia con alegria, katia!

the german club's object is to further the understanding of german culture and language and sponsor students for the national german exam. the german club set up various activities during the year. they were very fortunate to have students from san diego state speak to them about foreign exchange students. other activities included folk dancing at little bavaria, bicycle trips, mountain hiking trips, and the october festival.

they attended the beethoven festival and sponsored a christmas party. they ended their year with the annual beach party and lunch at a german restaurant. the german club has had a very fine year and hope to continue being one of kearny's most active clubs.

"it is very different from schools in singapore. the students here are given more freedom to wear what they like and to have long hair. i like the variety of subjects which are offered in kearny, and the teachers are very good and helpful."

his first name, chee hoong, means the victorious one, so he may have been known to many of you as victor.

chee hoong is from the independent country of singapore. he came to san diego in july of 1971, and will go back home in july of 1972.

ho chee hoong gave the reason for the exchange program as being a way to help his country and himself to understand our ways and to help promote world understanding.

kearny high would like to thank him for coming and for his contribution to our school.

umoja works for unity and understanding

the umoja club of kearny is a club that stands for unity, the unity of the black students who need a place to go and voice the necessities of being a student at kearny. these are not desires or wants, but needs. they find the atmosphere of the umoja club good for speaking out their needs.

members and sponsors have had bake sales and pickle sales during the year to raise funds and get out and let the other students at kearny learn about the club.

the high point of the year is the annual black history program. here the black students express themselves in dance, prose, poetry, and song. it also gives the white students and all others a chance to understand and know the customs and beliefs of the ancient and modern black man.

the marquees is the kearny drama club. anyone interested in drama in any form, stage setting, choreography, acting, make-up, directing or producing are invited to belong. in the club, there are indeed many fine actors and actresses, each with their own special talents. many exceptional actors and actresses have been brought forth from their ranks.

the fall production was "arsenic and old lace." other productions that have been performed in the wednesday mini-theater include such well-knowns as "cat on a hot tin roof" and "teahouse of the august moon."

mr. winans, the sponsor of the marquees, who is also a fine actor himself, gives his students the necessary enthusiasm that makes them want to work and put forth their best talents.

the marquees also put on an annual shakespeare production in the spring.

tradition with the third annual performance

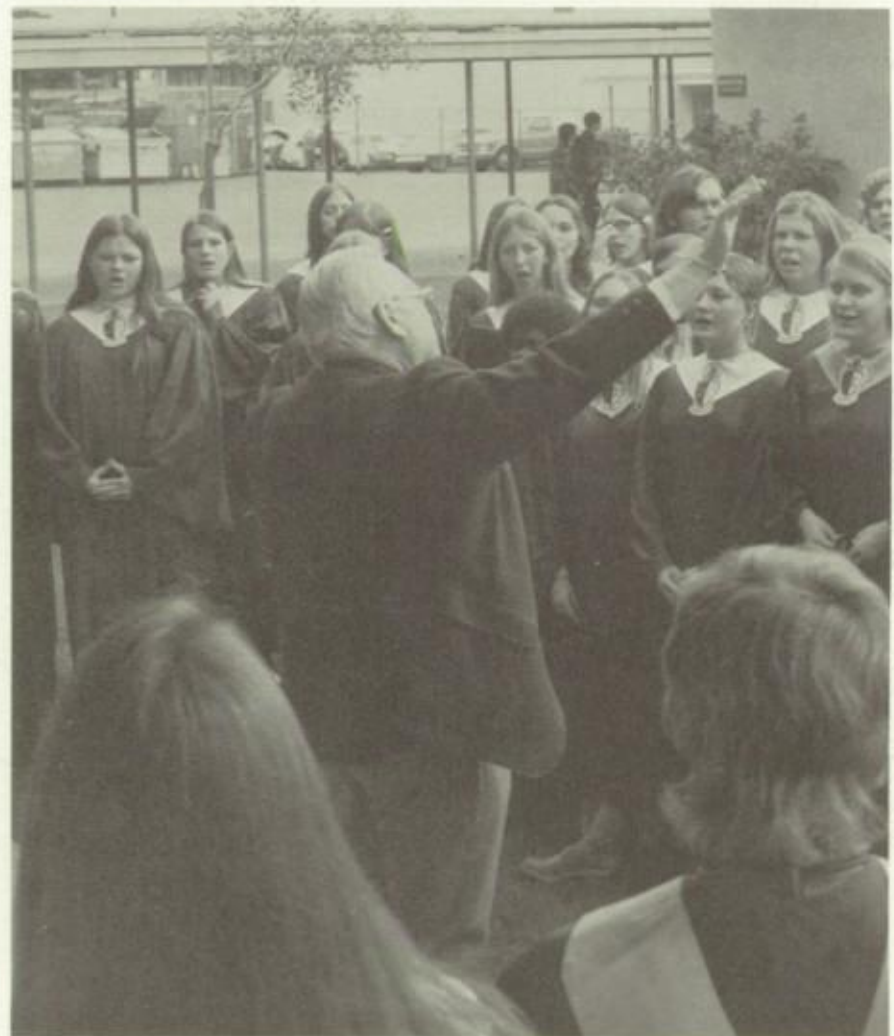

the a cappella choir of kearny high has been in existence for twenty-seven years. ever since its founding in 1944 it has been under the direction of mr. e. richard zaloudek. through the years the choir has earned the reputation as one of the top groups in the nation. kearny's choir has a quality gained only through serious practice and valuable training from a man who has the knowledge and experience needed.

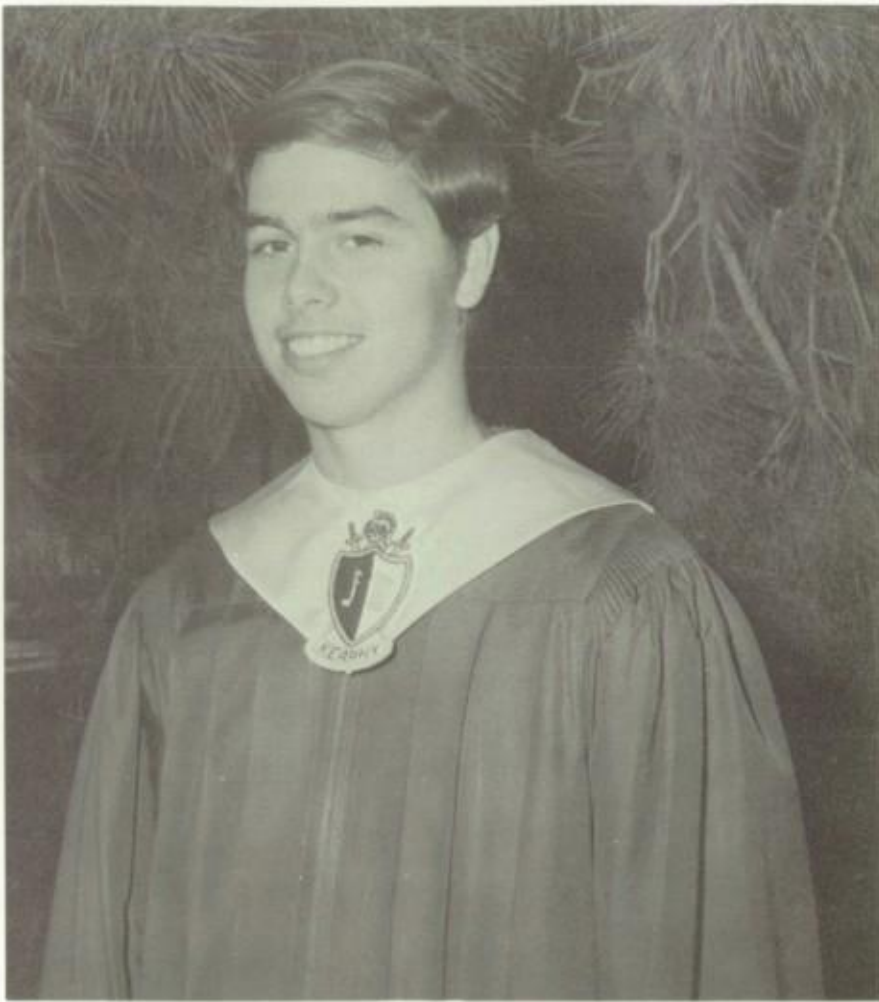

on december 12, 1971 at 3:00 p.m. the choir performed "the messiah" at linda vista baptist church for the third straight year. the entire performance created an atmosphere of beauty and warmth. only mr zaloudek and his choir could bring about this effect. soloists were: ron storm, frank grubbs, jeff sherrill, adele cross, bernita jones, mary jo bakich, cheri ruud, and marie bryant.

a special part of the a cappella choir consists of the ensemble. they are a small percent of the larger choir who are very interested in music. as a member of the ensemble they have the chance to perform more often and gain a better understanding of music. they receive more specialized personal training from mr. zaloudek and widen their general knowledge and experiences.

on december 5, 1971 at 3:00 p.m. the ensemble presented a program. it was made up mainly of soloists at the university christian church. there was quite a range of styles of music.

the talents of each member become skills under the direction of mr. zaloudek. he and the group bring interest and good quality into the music they sing for those who hear them. excitement builds as they sing. one is left with a good feeling - glad to have heard the ensemble.

the kearny high school advanced girls' choir is comprised of sixty girls. they perform usually three times a year for the public and once for grading. the christmas program consisted of fun christmas songs and solemn religious ones. the most important part of the program was the performing of roy ringwald's "the song of christmas". the highlight of the easter program

was the performance of the easter portions of handel's "messiah."

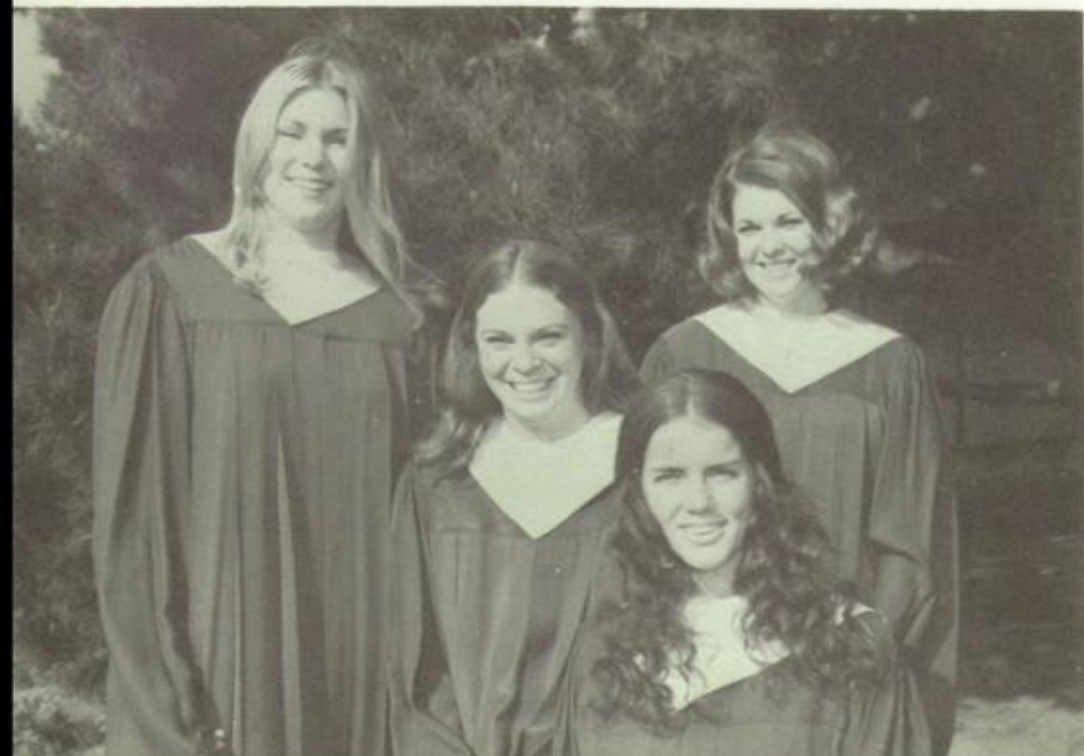

in march, the choir represented kearny in the city schools choral festival. then later they presented their spring concert which is the last performance for them.

orchestra performs well under new director

the orchestra, band, and pep band, under the direction of mr. jerald mc dermott, have shown versatility, excellent quality, and professional skill in the music they have performed during the school year.

the orchestra, though small, is a tightly organized group with very exceptional musicians playing at various concerts. also, known as one of the better high school orchestras, the musicians practice and learn the fine points of playing their instruments, so they can keep the fine reputation they have made for themselves and kearny.

the band has been performing well on and off the football field with their theme, "the history of jazz." they also played at the annual shriner's football game.

the pep band did a very fine job at the kearny pep rallies, adding a special kind of spirit and excitement that left the kearny population with a feeling of joy that their football team would win that night.

mr. jerald mc dermott, the new band director, has shown great enthusiasm for his students. they have become one of the best drilled and disciplined musical groups kearny has known for a long time. we would like to thank mr. mc dermott for his outstanding and excellent leadership in kearny's musical field. we would also like to welcome him to kearny and we hope the bands and orchestras of the future will be as fine and experienced under him as the 1971-72 musical groups are. good luck mr. mc dermott!

quarterback, jerry waldvogel, is congratulated by his teammate mike youngs, after scoring one of his touchdowns.

kearny san diego

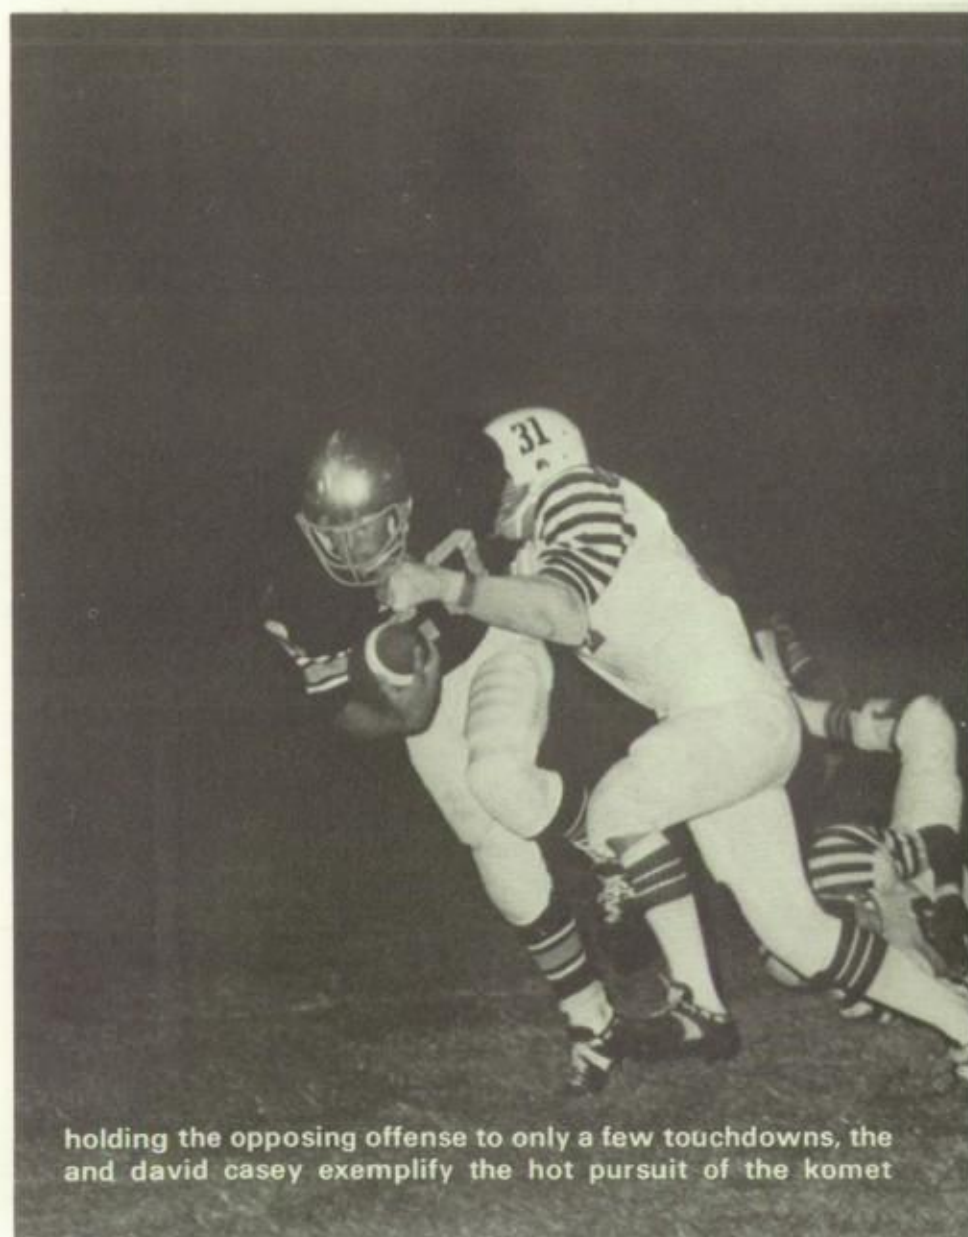

27

for their first non-league contest of the season, the spirited komet squad took on the san diego high cavemen. after the kick-off, on the first play from scrimmage, the kearny offense displayed a lack of poise and experience, which resulted in san diego recovering a fumble. a caver back capitalized on the error and slipped through the komet line for a touchdown. the pat was no good and the score read 6-0. late in the second quarter the maroon offense started to show some style. mike youngs sparked the drive with a twenty-one yard punt return to the san diego twenty-eight yard line. with carefully planned rushing, quarterback, jerry waldvogel, banged out three yards and then handed off twice to his trusty halfback, youngs, who ran spurts of 8 and 10 yards. on the three yard line, jerry squeezed into the endzone for the first komet td. soccer star steve robertson booted the extra point to put the komets in the lead 7-6, at the half. to make up for the only defensive flaw, the defense buckled down, and san diego was unable to gain enough yardage for a first down, and were forced to punt. defensive end, rockne chouinard blocked the punt, recovered the ball and boosted the komet lead 13-6. robertson's kick was good. more pressure by the defense caused a caver halfback to fumble. alertly co-captain willie matson grabbed the ball and sped to the goal posts. three conversion attempts failed. in the third quarter, the caver quarterback was consistently pressured by the strong komet line. a san diego pass was intercepted by "superstar" mike person, who raced past all would-be tacklers. another good kick finished san diego for the night, 27-6

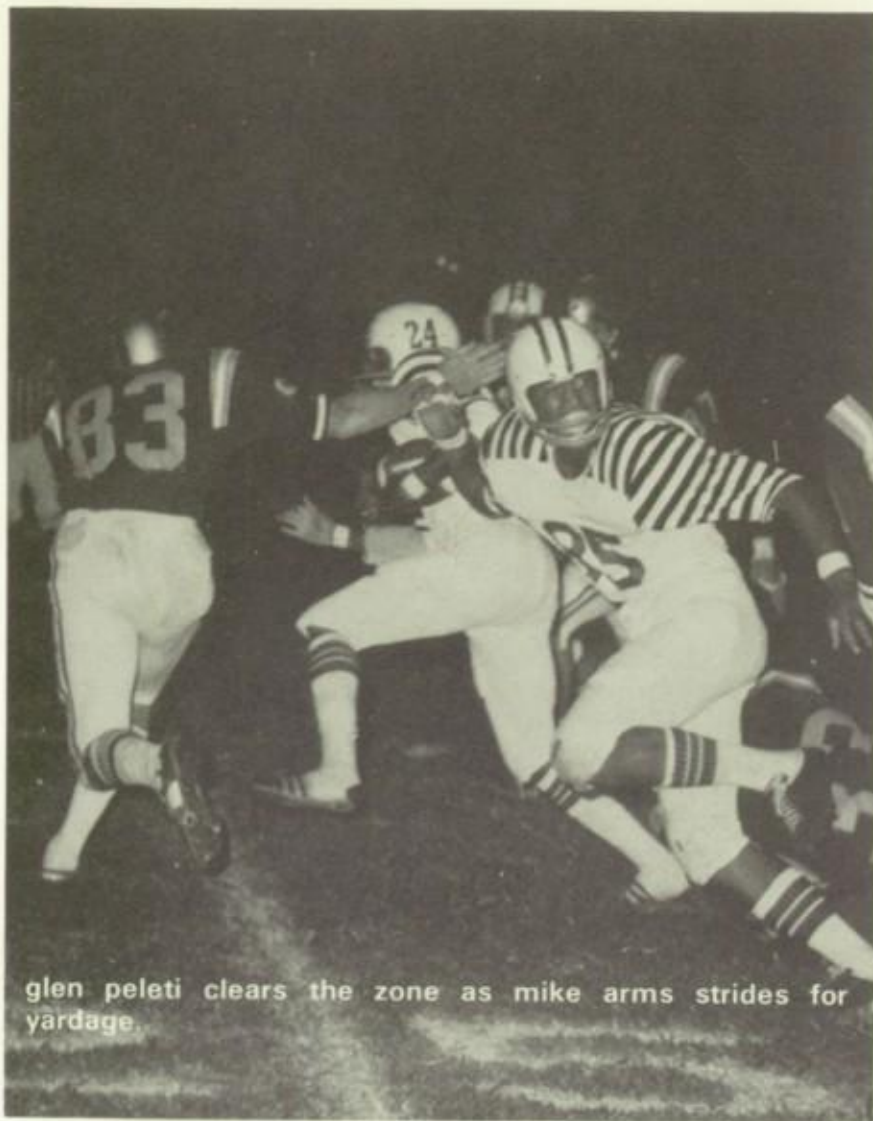

kearny grossmont

kearny's second non-league clash was against the number two ranked grossmont foothillers. the komets got the ball first and started a drive down field, but their efforts fell short on the grossmont nineteen. steve robertson was called on to try a field goal. the kick was straight but unfortunately not strong enough. the awesome komet defense took over and held the hillers motionless. the punt went to mid-field, where kearny started another drive. this time the komets couldn't be stopped, quarterback, jerry waldvogel hit talented james norwood for an 18 yard gain. the next play was focused on norwood, who snagged a waldvogel pass in the endzone for the first komet touchdown. robertson's kick was good and the komets lead 7-0. the hillers hated to be outdone, so they fought their way downfield and scored their first td. a two-point conversion was good, but called back by a penalty, the next two-pointer was also successful, but nullified because of a penalty. on the third try by grossmont, rockne chouinard made sure that the komets stayed in the lead, by dumping the quarterback and setting the score 7-6. the next score did not come until late in the third quarter, when the foothillers put together the go ahead play. the kick was good and they took the lead. the komet defense shined again when remarkable defensive back, willie matson, ignited a comeback try, with a game saving interception. the offense worked their way to the goal, utilizing the speed and strength of john jones and mike youngs. waldvogel plunged the final few yards to tie the score. sure footed robertson punched up the one point lead. grossmont's last effort to score was shattered when lanky back, chester hancock, swiped a hiller pass. the game ended with kearny boasting a 14-13 victory over the foothillers.

kearny la jolla

although the komets were heavily favored in the la jolla bout, three fumbles resulted in a scoreless first half. in the third quarter, when kearny got the ball, they mounted their first td drive. jerry used his deceptive runner, john jones, to move the ball to the viking twenty-three. on the next play, waldvogel raced almost untouched to score. a high snap gave the vikes enough time to block the kick. when the komets got the ball again, they attempted a field goal, which failed. the komet slow-down gave the vikes enough motivation for their first and only td. a bad kick tied the score at 6-6. using his triple option, jerry took control and brought the ball to the thirty. on the next play, waldvogel hit the superstar, mike person, with a ten yard pass for the first down. a few plays later, mighty mike youngs took the ball to the ten. again jerry faked a hand-off and walked into the endzone. the good kick put the score up, 13-6. after the kick-off, the vikes tried to throw the ball, but it was stolen by the quick defensive back, rick nelson. waldvogel and youngs worked their way down the field, then jerry released a twenty yard pass to receiver, chester hancock. with first and goal, the hand-off went to touchdown bound mike youngs. the score read 20-6, after robertson's kick. the ball passed through both hands when doug hendrix recovered a fumble and the new qb, billy harris threw an interception. the defense held for four downs and the ball was once again in komet possession. with two seconds remaining, jerry hurled a touchdown pass to person. the clock showed 00, steve kicked the extra point, and kearny posted a 27-6 victory.

kearny mission bay

28
0

in the second league contest kearny found themselves playing a slowstarting match against the mission bay buccaneers. in the first quarter both teams couldn't find the uprights, and it was not until the second quarter that the komets scored. mission bay struggled under the pressure of the komet line. on fourth and eleven the bucs punted from their own four yard line. the ball stopped on the buc thirty-one, good field position for the first komet t.d. "quarterback of the county," jerry waldvogel, handed off to john jones for five yards, then raced twenty-six yards to the goal. the kick was good and kearny led at the half 7-0. as soon as the komets gained possession of the ball, jerry used the grace of john jones, who play after play, moved the ball downfield. the finishing touch was put on by mike youngs, who slid into the end zone. robertson's extra point was successful and the scoreboard revealed a 14-0 lead. kearny proved that it has one of the best defenses in the county, when on the first down, struggling bucs tried to get out of their own territory and junior david casey intercepted a buc pass and ran for the goal posts. robertson's third kick of the night was good and the score read 21-0. the komet offense saw a lot of new faces with andy youngs and donald jones, two brothers of the "big stars." andy successfully moved the ball fifteen yards to set up the touchdown, which came on a pitch out to donald jones, who twirled into the endzone. with forty seconds left in the game, rick nelson came in to qb. on his third play, he pitched out to mike arms, who almost went all the way. the gun sounded and kearny had their first shut-out of the year, 28-0.

kearny point loma

14
7

the komets' adversaries for this week were from point loma. the first time the komets got the ball, they marched to the goal line, but were slapped with a penalty and were forced to try for three. steve robertson missed his mark and the kick was no good. the next series proved to be more successful. with fine running from the qb, jerry waldvogel, backs mike youngs and john jones, the komets moved to the goal line where john jones smashed in for the score. the pat proved to be good, giving kearny a 7-0 margin over the pointers. point loma possessed the only scoring drive of the second quarter, locking the score at 7-7. both teams were plagued with turnover trouble in the second half. the komets fumbled the ball away on their first drive of the half, but the pointers threw the ball into the waiting arms of defensive back willie matson and the komets regained possession. however, the action wasn't over. kearny fumbled once more and point loma fumbled twice. the komets finally put it together after recovering the lomans second fumble and marched down the field, capped off by a twenty-five touchdown run by mike youngs. the kick was good and the score stood kearny 14, point loma 7. neither team contributed to their totals in the fourth quarter and the game ended with the komets out-pointing the pointers 14-7.

well-earned praise is given to wide receiver james norwood, after pulling in a waldvogel pass.

kearny madison

the warhawks were the fourth league game for the undefeated komets. in the first quarter neither team could find the handle on the ball, and each team fumbled twice and neither team scored. the second quarter saw madison on the losing end. the komets drew blood first when, "power runner," mike youngs took the pigskin and dashed for the score. steve robertson's point after touchdown was good and the score was 7-0. on the next series, the komets established good field position and moved the ball to the madison thirty-five. a quick pass to "superstar" mike person brought the ball to the madison twenty-four. two plays later, jerry waldvogel carried the ball in for the score. the kick was good and the komets had a commanding lead over their foes, 14-0. at the start of the second half, the warhawks tried several times to score, but the whole third quarter was a defensive battle, neither team could score. in the fourth quarter, madison started to move the ball, when they got to the nine yard line, the defense tightened up and it took the warhawks four downs to score. the try for the fast two fell short, making the total 14-6. the warhawks later in the game were given two when a high snap sailed over the punter bill wooley's head, who fell on it in the endzone to keep the warhawks from obtaining six points rather than the two they received for the safety. the game ended with the komets earning their 25th straight league victory over the madison warhawks, 14-8.

clairemont

after squeezing by madison in a tough game last week, the komets came back to play clairemont. there was no score in the first quarter and it was not until the second quarter that the komets got settled down. komet tackle, mark humphries recovered a fumble on the clairemont twenty-five yard line. then the offense came alive to do their stuff. jerry handed off to youngs, who ran for three yards then he pitched out to jones, who ran to the ten yard line, but it was called back because of a penalty. it was first and twenty-five when jerry pitched out to jones again, who with the help of james norwood's block, carried the ball all the way. robertson's kick was good and the komets lead 7-0. clairemont then took the ball and scored their first and only touchdown. they tried for a two point conversion but the komet defense stopped them in their tracks. the gun sounded and at the half the score read kearny 7, clairemont 6. kearny came back in the third quarter raring to go. the chiefs had the ball and the quarterback threw toward the goalposts when "superstar" barney person snatched the ball and ran to the clairemont ten yard line. then jerry handed off to mike arms, who scored. the pat was good and the score was 14-6. in the final minutes of the fourth quarter, mike busch recovered a fumble to set up the komets last touchdown. the ball was on the chieftain thirty-one when jerry handed off to arms, who ran to the nineteen yard line. then jerry broke tackles and scored the last touchdown. the kick was good and the final score was kearny 21, clairemont 6.

kearny
crawford

7

before going into the saturday night homecoming contest, against crawford, they knew that they had already clinched their fifth straight western league title. this did not stop the komets from wanting to win their toughest homecoming game. after the parade the heros took the field. the strong defense had the colts under control for their first four downs and they punted. jerry waldvogel had the ball moving, combining running and passing plays, but he hung the ball up in the air too long and a colt intercepted. the ball came right back when doug hendrix, who has been recovering his share of fumbles, snatched the ball on the crawford 33. in three plays, jerry's two running backs, jones and youngs, took the ball to the ten yard line. on first and ten, jerry handed off to john jones, who couldn't be stopped until he reached paydirt. kearny led the powerful colts 7-0. with seconds to go in the half the colts had worked their way to the komet six, it was fourth and one, they elected to try for the first. mark humphries slammed through the line to stop the runner. during the third quarter both teams held each other to only a few yards and finally, late in the fourth quarter, crawford got their tying td. the score was set up by a pitch out over the head of youngs, which the colts recovered on kearny's 18. a few plays later the score was tied at 7-7. the komet offense threatened to score again, but penalties, not crawford, stopped them cold.

kearny university

26

university jumped into the lead early in the battle against the komets. the crowd and the team was saddened when the "star" quarterback, jerry waldvogel, was pounced on by a host of dons and came out from under the heap with a badly sprained ankle. back-up pilot, billy harris, came into the game, and played just like a starter. utilizing john jones, he brought the komets into don territory and gave the ball to johnny, who stepped one yard to score. robertson tied the game with his good pat. in the second half, it was billy and john again who brought the ball in for the score, this time harris scored. robertson kicked the pat and a field goal to make the score 17-7. the hot komets scored again when mike arms raced 34 yards to score. robertson added another extra point and the score read 24-7. the desperate dons resorted to a new quarterback and the shotgun formation. alert defenseman, steve penniman, trapped the don in the endzone after a bad snap from the center. the safety gave the komets an easy 26-7 victory.

kearny grossmont

17
21

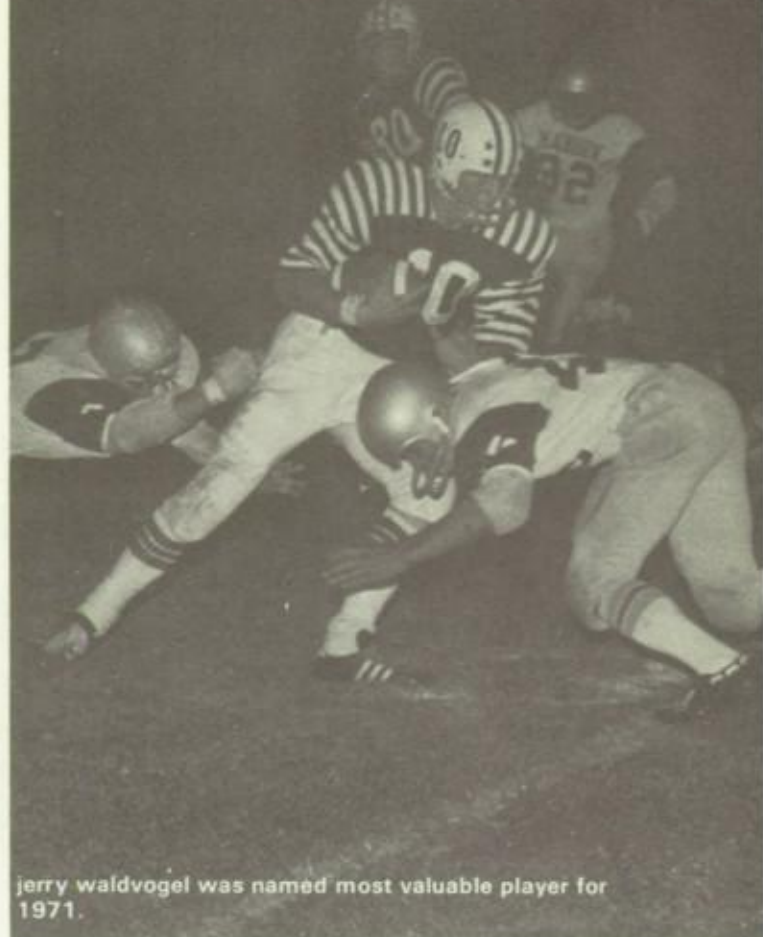

in the first round of the cif play-offs, kearny found themselves playing the grossmont foothillers. billy harris, playing for injured jerry waldvogel, stepped into the game and skillfully brought the komets to the hiller twenty. billy faded back to pass and threw an interception, which was carried back to the three of kearny, and grossmont was the first one to score. in the next quarter grossmont scored again, a bad snap for the extra point kept the score at 13-0. after the kick-off, the komets had the ball on their thirty-four. billy handed off to john jones, who, with the help of a few blocks and blinding speed, went all the way. a good kick put the score at 7-13. on the next series of downs, mark humphries recovered a hiller fumble on the twenty. robertson kicked a field goal and the komets only trailed by three at the half. the harris-jones combination clicked for a seventy-yard td drive. the td came on a thirty-five yard jones sprint and kearny lead 17-13. the komet defense tightened and the hillers had to punt. on the rush to block the punt, a call of roughing the punter gave the foothillers the ball and fifteen yards. a few more plays gave grossmont a 21-17 edge. jerry waldvogel was called in to make a last effort, throwing a forty yard pass to mike mauger and with one second to go the last throw was broken up. unfortunately the komets found out that out-playing a team does not always result in a win.

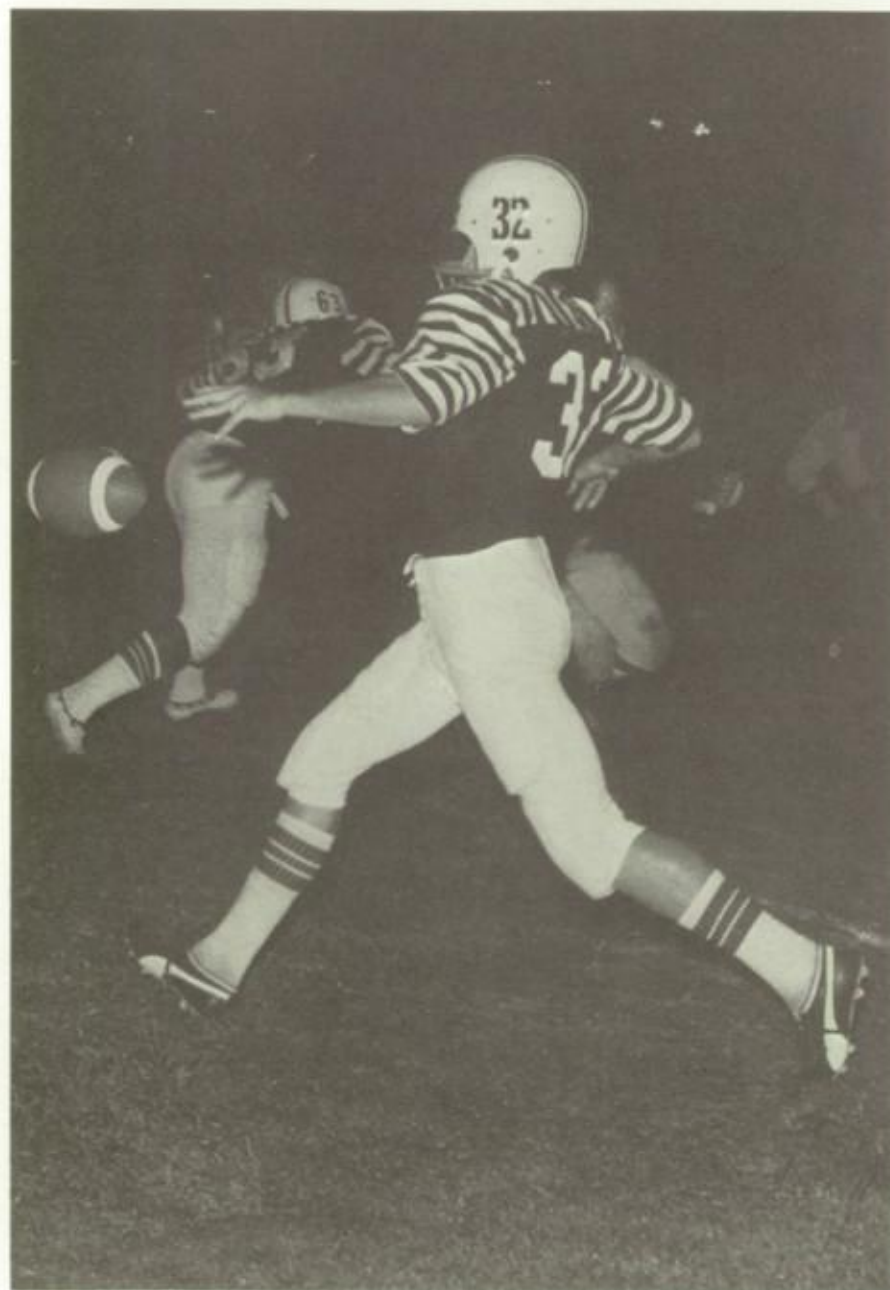

bill harris played only one game before the cif game, which he displayed the agility and poise of a good quarterback.

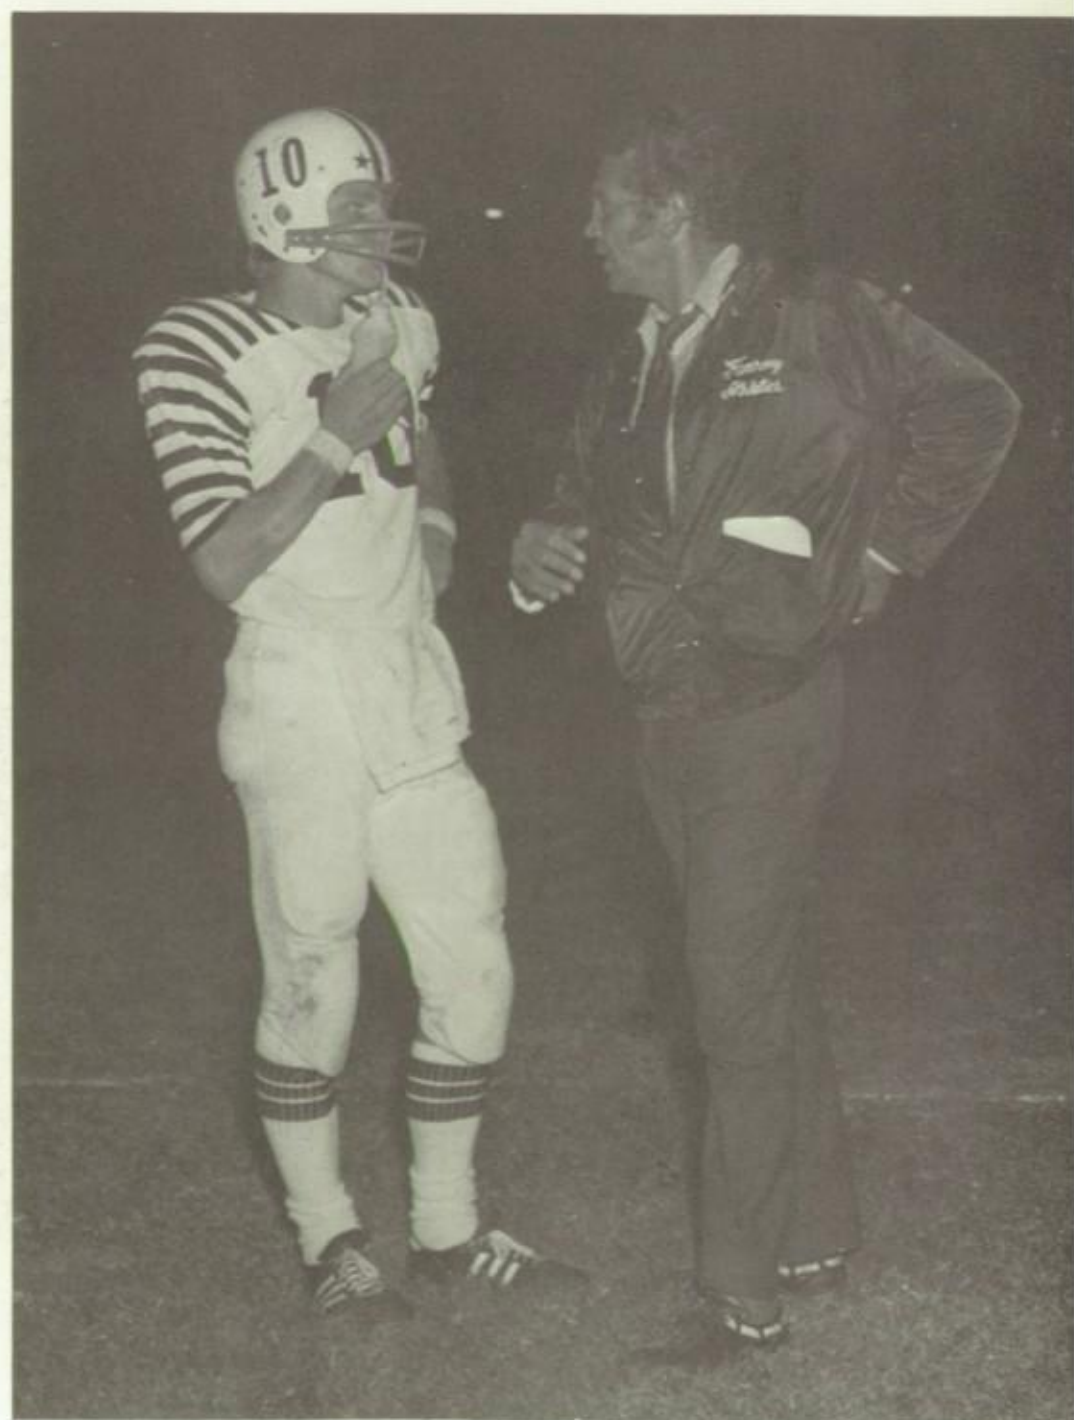

the komet secondary, which only allowed one td pass against them, and boasted 25 interceptions consists of: barney person, rick nelson, willie matson, and chester hancock. linebackers are mike mauger and doug hendrix.

jerry waldvogel was named most valuable player for 1971.

above: bill wooley, komet punter, was called upon when kearny couldn't make a first down. fortunately, he only punted 35 times. right: coach slater ... another western league, almost a playoff win.

this year's junior varsity football team had another great season, with the help of their fine coaching staff of griffth and smith. the komets showed strength for next year's varsity line-up, with outstanding gridgers like mark hoaglin, bill fitzgerald, rocky means, and quarterback freddie ellis. griffth's team was undefeated until the last game against university when they suffered a case of over confidence. even though they lost, they still finished on top of the junior varsity western league. possessing one of the best junior defenses, they shut out almost all their enemies. the offense got the job done by scoring at least two touchdowns per game. both squads assure fine varsity material for next year.

...just keeps on trucking

even though this is only the second year coach hugh mc millan has piloted the cross country team, he has done a remarkable job. the varsity team won three meets before suffering a loss to the western league running power, claremont. one of the outstanding runners on the varsity team is john moore, who led the komet distance men with the top times. other great runners on the varsity include: edwin joseph, john coffman, bill wheeler and rod williams. more than half the team runners are seniors, but the juniors and sophomores promise us a good team for next year. some of the returning junior varsity prospects are: wayne holland, bob gorse, and bill winders. both varsity and the junior varsity teams ended up with fine records, due to individual and team efforts.

"a" volleyball team captures cif crown

with more than half of the "a" team returning, the girls glided through the western league and claimed a well-deserved cif crown. the "power-packed" spikers: betty wise, kimba turner, chris white, fam sotoa and kathy memphis kept every opponent ducking and dodging the rocketing balls. supplying perfect sets for the hitters were: patsy malta, glenny barendse, marty boles and carla leoni. with these well-balanced combinations, the team destroyed crawford in the finals. the "b" team went undefeated and lost a close game to la jolla in the semi-finals. they promise a fine season for next year to defend the "a" team crown. with fam sotoa returning and the second place "b" players, kearny should have no problem keeping the two foot trophy. "a" team coaching was supplied by mrs. dahms and former kearny student, jeff elliot. they drilled the girls in new defensive plays and refined the girls' raw skills. mrs. cole took charge of the "b" team and taught the new-comers the difference between junior high and high school volleyball.

both teams enjoyed the fine coaching and patience of the instructors, and the rewarding thrill of city competition.

komet gymnastics team places fourth in cif,

despite having a team consisting of only two qualifying gymnasts, kearny managed to pull a fourth place in the cif finals. competing against nine other schools, komet gymnast alex acera received first place on the parallel bars, ninth on the side horse, and second in all around. randy cohee, captain of the gymnastic team, earned a fifth place in floor exercise and vaulting and a third in tumbling. demonstrating great skill and co-ordination, kearny took second place in the western league finals, led by alex, who placed first in parallel bars and second in all around. randy cohee turned in a fantastic performance with a first on high bar, second in vaulting, second in tumbling, fourth on the parallel bars and fifth in floor exercise. representing kearny in the watermen tournament, randy placed third in tumbling and fourth in vaulting. alex placed first on the parallel bars. other talents on the gymnastic team were seniors: allen nellis, adrian marine and rene trevino. returning potential greats are: barry barker and dave levin. most of the credit for the team's success goes to the assistant coach, danny kolb. he taught the team new tricks and routines. danny will be going to the finals in the olympics. coach krause will have his hands full when a new event will be added. his hard work brought them through a fine season.

shalley's swimmers place high in finals

miss sandy shalley and carole adler coached the girls' swim team to powerful finishes in the finals. in the city finals, "a" swimmer, anne loucks placed **first** in the 50 and 100 yard free-style events, shattering records in both races. strong "b" swimmer, shannon engle, snatched a **first** place in the 50 free and "c" swimmer, julie berry, also grabbed a **first** place in the 50 butterfly. in the county, anne loucks broke the 50 free-style county record and boasted two more **firsts**. shannon engle took **first** in the "b" class free. overall, the team placed thirteenth out of twenty in the county finals. miss shalley sees a strong county team next year with such hard workers as: shannon engle, kim smith, julie berry, denise hanson and lynne deerman.

bigger team promises bigger seasons

more and more interest in tennis is developing in the girls' athletic association. the team has been getting larger every year. this year the girls played both the western and eastern leagues. the girls are fighting to win more matches and gain a respected spot in the western league. miss douglas has encouraged the girls to enter tournaments and expand their knowledge of the sport and gain more experience in competitive sports. although more than half of the komet netters are seniors, we can expect to hear a lot from the returning varsity players: jean podelenski and robin ramsey.

determination and drive brings

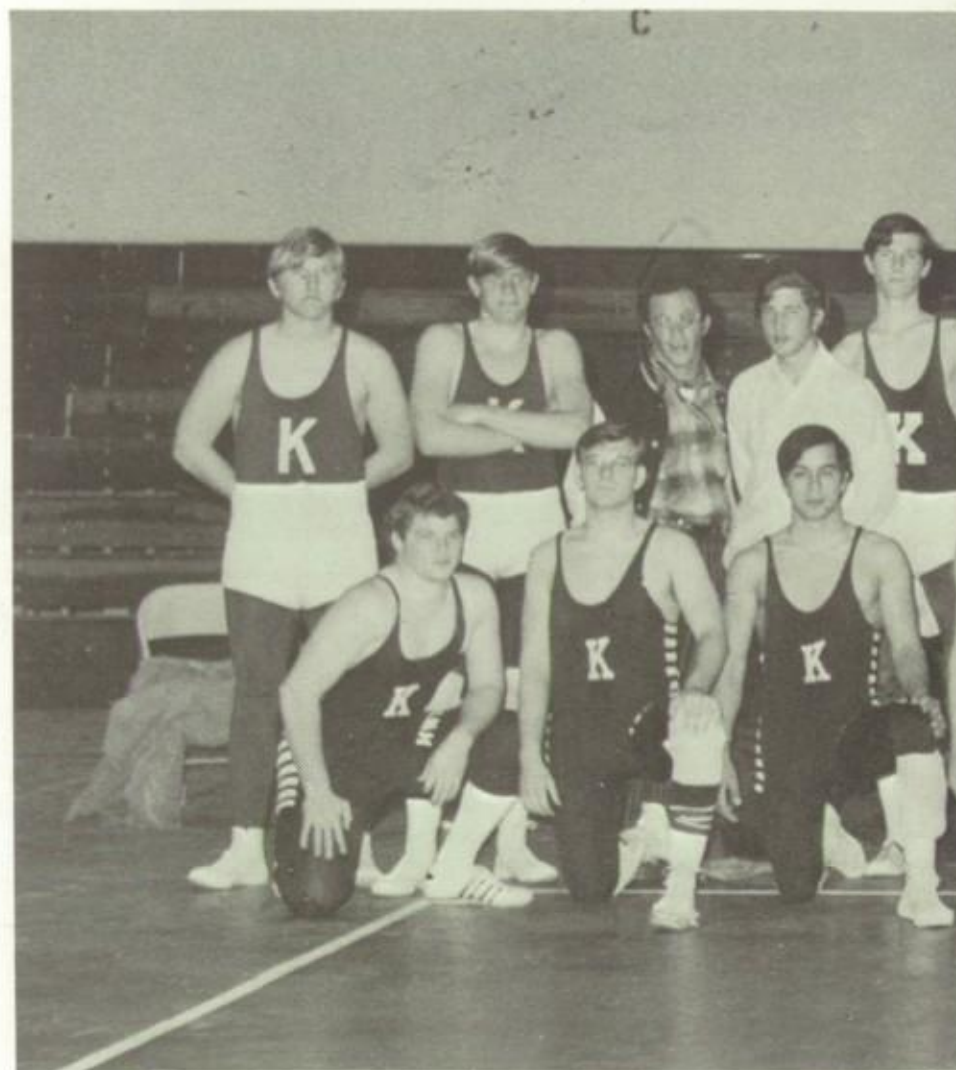

in their pre-season matches, the komets started strong. an early match against the saints proved to be an easy win for our matmen, pouncing their foes, fifty-nine to ten. kearny was led by wrestlers rene trevino, bruce huff, rod urquidi, and the heavyweight, james altman. although james is only a sophomore, he has established a starting spot on both the varsity football and wrestling teams, taking a third place in the city tournament, held at madison. other strong wrestlers include: david levin, tom vollenweider and adrian marine. there were fine individual wins, but not enough to muster more team victories. coach barnett found his team in a very tough western league this year, but he has high hopes for getting representation in the finals.

finish a close second

the komet cagers rode on the top of the league throughout the whole season. losing only two of their 12 league games, kearny gave the madison warhawks a fight for their lives. in the first encounter with the hawks, the komets exchanged the lead several times with madison and almost pulled out a victory. unfortunately, the starting sophomore forward, donald page, badly hurt his ankle and was unable to finish the season. this did not stop the komets from breezing through the season with only one other loss. center, chester hancock, consistently held his own against taller opponents by out-jumping almost every other center around. david breisbois and mark zielinski combined with the rest of the team to add to kearny's powerful offense. starting guards, jesse martinez and jay trousdale anchored the team by supporting a strong defense. coach colborne and the komets were ready when the hawks again challenged, and madison never possessed the lead. the split left madison in first place and kearny holding a close second.

with the help of the very talented coach short, the junior varsity basketball team had another good year. they took second place in the coronado tournament and first in the western league. there is a lot of fine talent for next year's varsity, and as far as height, they were well endowed, possessing such towers as: freddie ellis, alan rhodes, rick pierce, artis gillian, greg kunkle and greg ashbaugh. one of the other stars, mark hoaglin, was elevated to varsity after moving the team through more than half the season.

girls' field hockey at kearny has become a very big sport in the past three years. there are now two teams, varsity and a junior varsity, competing all over the county. under the fine coaching of mrs. cole and cheryl landay (former standout center halfback at kearny), the varsity has retained its winning streak of only one loss in three years. the single loss occurred two years ago against fallbrook 1-0. much of the credit for this winning season is due to the extremely strong defense, which rarely makes a mistake. carla leoni and anne loucks, halfbacks on the varsity, have held their opposing forward line players from scoring more than one goal against them. marti spann, the center halfback has also perplexed the opponents with her outstanding stick work. the fullbacks, kathy memphis and jean tade never had a score against them. the offense scored every time that they had to. a combination of sheila torpey, marty boles, betty wise, patsy malta, and chris white, was almost impossible to stop. the junior varsity is also undefeated and they hold many fine prospects for next year's big team.

each year kearny comes up with a good track team, with greats like barney "superstar" person, who runs the high hurdles with blinding speed. he was the only komet to go to the golden west track meet, which was held last year in los angeles. barney also runs the 440 relay and the low hurdles. greg jackey competes in the 440 relay and the sprints. john coffman and rod williams specialize in the 440 yard run. the whole track team puts together speed and stamina to keep them on top of the league. the field event stars consist of: steve penniman, pole vaulter, rennie block, running broad jump, rod urquidi, pole vault, martin white, shot-put, and many more promising tracksters. coach smith and coach mcmillan will be sure of a top notch track team.

winning softball girls

this will be only the second year of softball for the girls of kearny high. mrs. cole has high hopes of turning ex-bobby soxers and other aspiring players into a winning high school team. leading the team this year will be pitchers, patsy malta and kathy burton. supporting these girls will be a countless host of power hitters and flawless fielders.

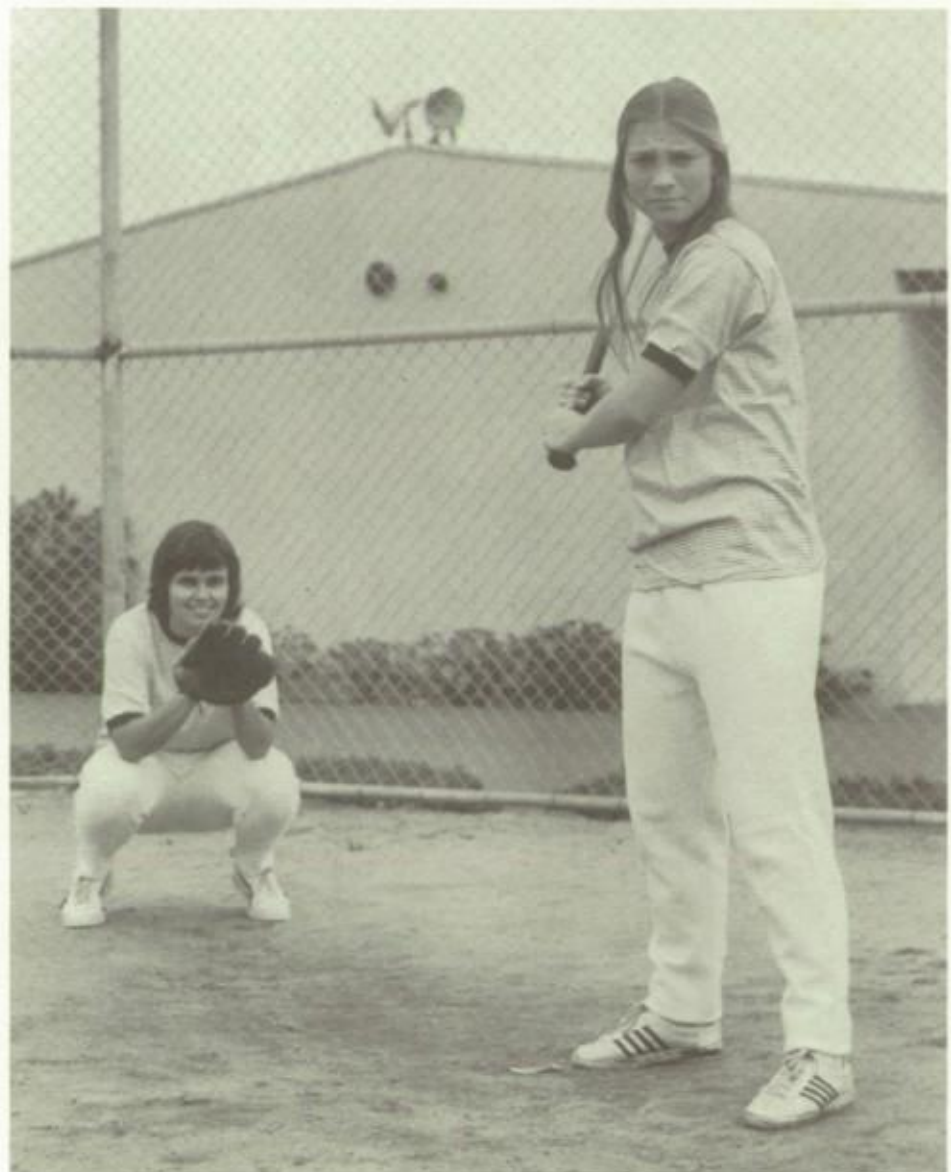

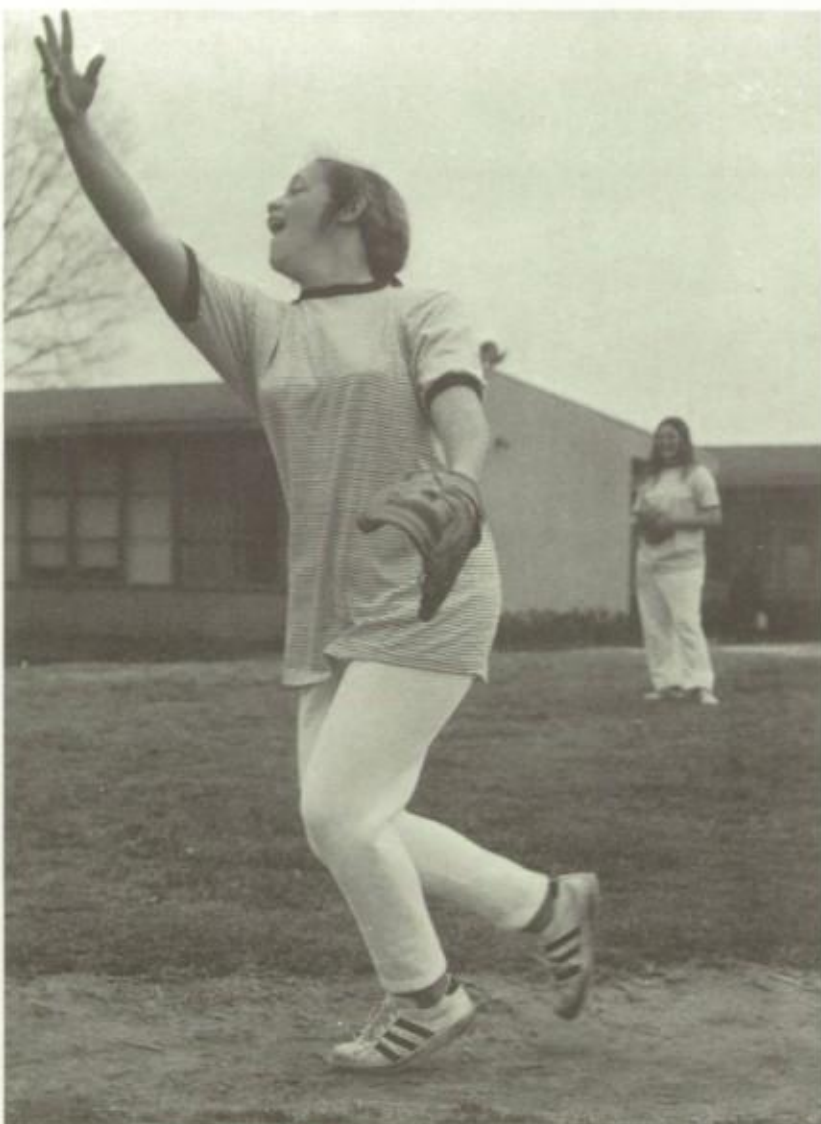

marti bug spann prepares for the day of her big race by running several miles a day.

in the city finals for girls' track, kearny high has been one of the top competitors. two years ago they placed second, and last year the girls hosted the meet. the city record holder, and two-time winner of the 880 yard run, marti (bug) spann, will try again to retain her first place spot. coached by miss rentfrow, she will undoubtedly succeed.

Donna,
It seems like
I'm always
winding up in
the same school
as you. I'm very
tired of this year
but I know I'll get
something good.
I don't see much of
you for sure &
I'm going back at
Claremont High.
I'm going to
cross something
same street.
I'll have to close
I love Maria
'82.
P.S. Good luck
with your
trip.

MARIO ↓

← MARK

P.S. Good luck
with your
latest
scheme.

Bill Kenney

special thanks to grover p. everett for certain photographs used in the yearbook.

When ever the rain falls
or the sun shine remembre
me the lovely Jaume Willson

Jaume Willson

Donna,
I'm glad
I've met you -
you're a really good
far-out person.
Luck in everything
Subbie
even

Donna,
To a crazy chick with
a really goofy personality.
Be good and stay sweet.
God Bless and have fun
this summer.

Love
Kathy '71-72"
matson

Donna
Have a nice
summer
Gey Rohlf

Donna,
You are really crazy,
stay the way you are.
Have a far-out summer.
Love always
Kelle West

Donna,
I hope to see you
in the summer.
I hope to have a
good time
with you
in the summer.
I hope to see you
in the summer.
I hope to have a
good time
with you
in the summer.
